Don't fall into a hole! Close the "gap" with GAP Insurance!

GAP (Guaranteed Asset Protection) Insurance is an affordable coverage that pays the difference between an insurance settlement and the loan balance. Only a few additional dollars each month can save you from making payments on a loan for a vehicle you no longer own, if you suffer an accident shortly after you drive your newly owned vehicle off the dealership's lot.

For more information about GAP Insurance, call or visit the Credit Union today.

*APR = Annual Percentage Rate.
